

GUIDING PRINCIPLES

1 INTEGRITY

Conduct all affairs with integrity, for which courage is the foundation.

2 COMPLIANCE

Strive for 10,000% compliance with all laws and regulations, which requires 100% of employees fully complying 100% of the time. Stop, think and ask.

3 VALUE CREATION

Create long-term value by the economic means for customers, the company and society. Apply MBM® to achieve superior results by making better decisions, pursuing safety and environmental excellence, eliminating waste, optimizing and innovating.

4 PRINCIPLED ENTREPRENEURSHIP™

Apply the judgment, responsibility, initiative, economic and critical thinking skills, and sense of urgency necessary to generate the greatest contribution, consistent with the company's risk philosophy.

5 CUSTOMER FOCUS

Understand and develop relationships with customers to profitably anticipate and satisfy their needs.

6 KNOWLEDGE

Seek and use the best knowledge and proactively share your knowledge while embracing a challenge process. Develop measures that lead to profitable action.

7 CHANGE

Anticipate and embrace change. Envision what could be, challenge the status quo and drive creative destruction through experimental discovery.

8 HUMILITY

Exemplify humility and intellectual honesty. Constantly seek to understand and constructively deal with reality to create value and achieve personal improvement. Hold yourself and others accountable.

9 RESPECT

Treat others with honesty, dignity, respect and sensitivity. Appreciate the value of diversity. Encourage and practice teamwork.

10 FULFILLMENT

Find fulfillment and meaning in your work by fully developing your capabilities to produce results that create the greatest value.
